

Important Non-Creditable Coverage Notice
From the LEOFF Health & Welfare Trust
Applicable Only To Retiree MSP Plan

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Law Enforcements and Firefighters Health & Welfare Trust "LEOFF Trust" and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are three important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. LEOFF TRUST has determined that the prescription drug coverage offered by your health plan is, on average for all plan participants, NOT expected to pay out as much as standard Medicare prescription drug coverage pays. Therefore, your coverage is considered Non-Creditable Coverage. This is important because, most likely, you will get more help with your drug costs if you join a Medicare drug plan, than if you only have prescription drug coverage from LEOFF Health & Welfare Trust. This also is important because it may mean that you may pay a higher premium (a penalty) if you do not join a Medicare drug plan when you first become eligible.
3. You can keep your current coverage from LEOFF TRUST; however, because your coverage is non-creditable, you have decisions to make about Medicare prescription drug coverage that may affect how much you pay for that coverage, depending on if and when you join a drug plan. When you make your decision, you should compare your current coverage, including what drugs are covered, with the coverage and cost of the plans offering Medicare prescription drug coverage in your area. Read this notice carefully - it explains your options.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th.

However, if you decide to drop your current coverage with LEOFF TRUST, and it is an employer/union sponsored group coverage, you will be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan; however you also may pay a higher premium (a penalty) because you did not have creditable coverage under the LEOFF Health & Welfare Trust.

If you are losing creditable prescription drug coverage under LEOFF TRUST, you are also eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

Since the coverage under the LEOFF TRUST is not creditable, depending on how long you go without creditable prescription drug coverage, you may pay a penalty to join a Medicare drug plan. Starting with the end of the last month that you were first eligible to join a Medicare drug plan but didn't join, if you go 63 continuous days or longer without prescription drug coverage that's creditable, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current LEOFF TRUST coverage will not be affected. You can keep your current coverage, but we will coordinate benefits with your Medicare Part D coverage so as not to duplicate payments. If your current coverage pays for other health expenses in addition to prescription drugs, you and your covered dependents will also still be eligible to keep your current health coverage.

If you do decide to join a Medicare drug plan and drop your current LEOFF TRUST coverage, be aware that you and your dependents may not be able to get this coverage back.
